Internships

Apple, Sales Team

Host by: Larry Zhang

*Shanghai, China
Jan 2026 – June 2026*

Research Experience

Research Assistant (ISURE Program)

University of Notre Dame (supervised by Toby Li)

South Bend, Indiana

June 2024 – Aug 2024

Evaluated and improved the Mocha annotation system by refining counterfactual generation via prompt engineering and conducting user studies to assess tool effectiveness.

Research Assistant (ISURE Program)

University of Notre Dame (supervised by Toby Li)

South Bend, Indiana

June 2025 – Aug 2025

Designed and developed an evaluation framework and interactive tool to compare and analyze the behavioral trajectories of persona-configured web agents in simulated environments.

Research Assistant

The Hong Kong Univeristy of Science and Technology, VIS Lab

Remote

Oct 2024 – May 2025

Designed and implemented visual analytics and debugging systems (AgentExplainer and DiLLS) to support developer sensemaking and reasoning validation in LLM-based multi-agent systems.

Winter@AIR

Institute for AI Industry Research, Tsinghua University (supervised by Jiangtao Gong)

Beijing, China

Jan 2025 – Feb 2025

Investigated the alignment between LLM-based counseling agents and human therapeutic strategies through formative studies with diverse practitioners.

Technologies

Technologies: C++/C, Java, JavaScript/TypeScript, Python, Vue/React(framework), LangChain(framework)

Languages: English (Toefl 108), Basic German, Chinese (Native)

Awards

Second-class Scholarship, Tongji University (2022–2023)

Third-class Scholarship, Tongji University (2023–2024)

Travel Grant, YFEL Program, Abu Dhabi (2025-2026)

Selected participant; fully funded (x2)

National College Water Polo Championship, 4th Place, Zunyi Guizhou(2025) Selected athlete; travel grant

Sports Merit Award, Tongji University (2024–2025)

Encouragement Prize
